Hello Fernando,

Per our phone conversation. I just want to confirm that EPA agrees to a 30 extension to respond to our Information Request. We sent an Information Request letter to your client La Mirada Products Co. Inc. back in June of 2018. We are expecting the new deadline to be September 25, 2018.

Please let me know if you any questions about the Information Request or the deadline.

Thanks,

M. Rafati

Dear Mr. Rafati,

I am writing on behalf of La Mirada Products Co. Inc. (f/k/a DAP, Inc.) to request an additional 30 day extension of time to respond to the EPA's Section 104(e) information request relating to the Behr Dayton Site. The current deadline is August 26, 2018. A 30 day extension would put the deadline at September 25, 2018. La Mirada needs the additional time to review, analyze and produce documents and information in response to the EPA's Section 104(e) request.

Please let me know if a 30 day extension is agreeable, and please feel free to call or email me if you have any questions, comments, or concerns.

Best regards,

Fernando
